SINGING IN 3D WITH SHABANG!

OH NO! IT'S RAIN AGAIN!

We hope you enjoy this original Shabang Song.
Here are some ideas to help your song go with a swing – we call this "singing in 3D" – it helps to make a song as accessible as possible, for everyone. Shabang songs are pretty straightforward to sign in Makaton.

OH NO! IT'S RAIN AGAIN! is a great song for a weather project and it's easy to sign in Makaton too.

Ideas on a Rainy Theme:

Drama:
Make this song excting! Use in a drama session and dress up in your rainhats, hold up your brollies and while you are singing the song spray everyone with a water sprayer – be brave and give the water sprayer to a group member! Guaranteed to make you laugh.

Rainbow in a jar:
Layer 1:purple food dye in honey
Layer 2:pure blue washing up liquid
Layer 3:green food dye in water
Layer 4:yellow food dye in cooking oil

OH NO! IT'S RAIN AGAIN!

Art:

· Paint a piece of bubblewrap with blue paint and press onto plain paper to make rainy prints

· Stick cotton wool clouds onto your rainy sky

· Using watery paint on paper start at the top of you paper and hold it up so the paint drips like rain – cut out silhouettes of umbrellas from a contrasting coloured paper and stick randomly over your rainy background or…

make a rainbow from coloured paper strips and stick onto your rainy sky

· On a white paper background use a white wax crayon to create downward strokes like rain

· Mix water based paint in blues and paint over the paper

Music:

Make your own rain stick.

· Take a cardboard tube and block off one end with paper or tape

· Roll tin foil into a strip and wind it around a broom handle to make a coil

· Place coil in to the tube

· Pour beads or lentils or rice or all three into the tube and block the other end off

· Decorate you rain stick with blue and white paint or print with bubble wrap or cotton wool balls like a cloud or coloured ribbons like a rainbow

OH NO! IT'S RAIN AGAIN!

Science:

· Pour milk onto a plate and add some drops of coloured food dye. Dip a Qtip into washing up liquid and swirl into the milky mixture – watch the colours merge – it's like magic!

Other ideas:

· Cut out welly boots from white paper and paint each one in a rainbow colour to make a rainbow of wellies – do the same with umbrella shapes, rain hats, raincoats

· Cook spaghetti in different coloured food dye to make rainbow confetti!

· Make rainbow biscuits – decorate digestives or rich tea biscuits with coloured icing

· Make coloured jelly!

· Healthy Rainbow fruit salad – pomegranate, orange, banana or lemon, kiwi, blueberries, orange, grapes, raspberries

Have fun and let us know how it goes – send us pictures – we would love to see how you get on.
